## Special Announcement!

To: All Members in Good Standing

You have heard it many times by now, we are in uncharted waters in an unprecedented time. As the year rolls along, we continue to face challenges. So many cancellations and restrictions to follow. We are now approaching the time of year when we begin the planning of the Annual Meeting and Awards Banquet. This is something we cannot do right now. So how do we conduct business and elect officers?

**This email notice and a special edition newsletter to follow, will serve as the required 30 days notice to update our bylaws. We will hold a general meeting before the Sunday, September 20, 2020 Nibble in New Albany ride at 8:30am in the parking lot of the St. Matthews Baptist Church.** We will social distance and wear masks as we vote on the proposed changes. We must have 25 members in good-standing (meaning your dues are current) in order to certify a quorum and vote.

This is the link [ProposedByLawsChanges\\_Aug2020.pdf](#) to the proposed Bylaws with changes highlighted in yellow. Here is the link: [LBC By-Laws - revised 1-19-13 FINAL.pdf](#) to the current bylaws for comparison.

Here is a summary of the changes:

1. Renewal period for payment of dues changed to 60 days from 90 days since 99% of dues are paid online rather than through the mail
2. Family members cannot serve on the Executive Committee simultaneously.
3. Added the position of Vice President, Information Technology and removed those responsibilities from the Vice President, Communication position
4. Allow the Executive Committee to meet online with provisions noted.
5. Allow for online voting of members in good standing. We have been using a membership database that allows for polling and setting up events – voting. Only one vote per email is allowed and the system will only allow active (good standing) members to vote. Reports of votes can be printed and validated.

### LBC UNVEILS BOLD NEW JERSEY DESIGN

Way back at the beginning of the year 2020 the Louisville Bicycle Club formed a committee to look into designing a new look for the club. Our green and blue jerseys have served us well but after 20 years it is time for a makeover. A lot of work has gone into the design and we think you'll love it! Our main objective was to make it bold, bright and highly visible. There is no doubt these items have been checked. The good folks at Primal were selected as the manufacturer and have been great to work with. A great big thanks to Amelia Dauer, John Fong, Donna Connel, Stewart Prather, Mike Crawford and Jeff White for serving on the committee. And a huge thank you to Bob Peters at Clarksville Schwinn for helping us to make sure we could offer a full custom kit at such a great price!
