## 2023 Executive Committee Candidate Statements

### **President: Erik Helton**

“For the past two years, I have had the honor of serving as your Vice President of Information Technology. During this tenure, I dedicated myself to enhancing our online user experience, benefitting both our members and the wider cycling community. Together, we successfully revamped our website, expanded our online and social media footprint, established brand standards for the Louisville Bicycle Club, and fostered collaborations with local non-profits that share our mission and values.

My commitment to the Louisville Bicycle Club extends beyond my role as VP, as I have been an active member of the KDF Tour de Lou committee since 2013. Now, I am excited to announce my candidacy for the position of President. If entrusted with this role, I pledge to continue serving our organization diligently. My vision includes promoting cycling as a catalyst for a healthy lifestyle and fostering partnerships with local and regional clubs to advance the sport across disciplines.

I am eager to lead the Louisville Bicycle Club into a future marked by growth, inclusivity, and a passion for cycling. Your support will enable us to further our mission and make a positive impact on the cycling community. Thank you for your consideration.”

### **Secretary: Clinton Philips**

“Do you have a better candidate in mind? Thank you for your vote.”

### **Treasurer: Phil Mattingly**

“I am completing my third year as Treasurer of the Louisville Bicycle Club. I would be happy to continue in this role for the upcoming year. I am a retired CPA with experience in serving as Treasurer for several other non profit organizations.”

### **V.P Advocacy: Dee Schreur**

“I would like to continue my position as VP of advocacy. There are lots of exciting biking events happening in the Louisville area. I look forward to working with all the cycling leaders and communities.”

### **V.P Communications: Steven Jent**

“Rolling, rolling, rolling. That is what I am here for, to help keep the club rolling and pitch in when and where I can. To that end I'd be honored to once again serve as the VP of Newsletters, I mean Communications.”

## 2023 Executive Committee Candidate Statements (cont...)

**V.P Information Technology: OPEN**

**V.P Education: David Wittry**

“I would be glad to continue in my position as VP of Education.”

**V.P Racing: OPEN**

**V.P Touring: Steven Sarson**

“I have been a member of the LBC since 1997 and previously served as VP Education for 10 years. Many of you may remember being in one of my classes.

There are a number of things that I will do as VP Touring. These include the following:

- Form a Touring Committee to review the current touring program and make changes where needed
- Actively recruit and train new Ride Captains
- Support current Ride Captains in their endeavors and encourage them to follow established protocols during their rides
- Encourage new and younger riders to ride with the LBC
- Support the Statistician in his role
- Support the Mad Dogs and encourage them to be inviting to new participants
- Work with members involved by supporting the OKHT, KDF Tour de Lou and Marathon, Mayors Hike, Bike and Paddle Events, Juneteenth Solidarity Ride, Bike MS, Le Tour de Pork, Bike to Beat Cancer and the Cabbage Patch Settlement House fundraiser rides

These are some of the commitments and ideas that I see as important to the continued success of an active, fair, honest and equitable touring program.

I am sure that there will be additional thoughts and ideas that will come out as the Touring Committee reviews the current touring program. Ideas, suggestions and support from LBC members will be welcomed and encouraged.

Thank-You in advance for your support of the LBC Touring program. “
